## GENERAL RULES

The Oregon State Fair and Exposition Center (OSFEC) reserves the final and absolute right to interpret any and all terms, conditions, rules and regulations contained in any and all parts of this Exhibitor Handbook, and to settle and determine all matters, questions or differences in regard there to, or otherwise arising out of, connected with or incidental to the Oregon State Fair. OSFEC further reserves the right to determine unforeseen matters not covered by the General or Department Rules published in this Exhibitor Handbook, and to withdraw all premium offerings in all departments should any emergency exist and circumstances demand. In case of discrepancies between General and Department Rules, Department Rules will supersede General Rules.

1. Entries need not have been entered or won at a County Fair in order to be eligible for competition at the Oregon State Fair.
2. Employees and their spouses are not eligible to enter the department in which they or their spouses are employed, unless otherwise stated in Department Rules.
3. Entries must be made through the OSFEC online entry registration and will only be accepted with full payment at time of registration. Entry deadlines are listed in Department Rules or on the Calendar of Events.
4. Entry registrations must state exhibitor's name, address, telephone, date, division and class numbers. Wrong numbers may cause entry to be disqualified.
5. Submitting online entries denotes acceptance by exhibitor of all OSFEC rules.
6. OSFEC reserves the right to limit entries to facilities available, and to limit the number of entries per exhibitor.
7. OSFEC reserves the right to return entries and cancel any division or class in which, in its judgment, the entries are insufficient to provide adequate competition.
8. Entries must be in place and may be removed **only** during the scheduled times; any exception to this rule shall be at the discretion of OSFEC.
9. OSFEC reserves the right to reassign exhibits to alternative categories or departments. Exhibits may be subject to reasonable regulation of the time, place, and manner of display.
10. Each exhibitor shall be expected to show his/her animal or exhibit in accordance with the time schedule for judging printed in this Exhibitor Handbook and may be disqualified for failure to make proper arrangements in this respect.
11. Exhibitors shall indemnify OSFEC from and against all claims for damage to persons or property caused by them or by their exhibits.
12. OSFEC will take reasonable precautions to ensure safety of exhibits while on OSFEC's grounds, but will in no way be responsible for loss, damage, theft or injury of any kind to exhibits or exhibitors.
13. Exhibitors found in violation of rules, or in practices unethical or adverse to the Oregon State Fair, shall be subject to forfeiture of premiums and/or privileges.
14. See Department Rules for credential policy for specific departments.
15. All information necessary to determine the exhibit is eligible must be submitted through the online entry registration and all fees (including penalties) must be paid before judging of the class has started.
16. No person shall act as judge in any division in which he/she or a member of his/her immediate family is an exhibitor, is in charge of an exhibit or division, or is in charge of a group of exhibitors.

17. All classes, sections and lots shall be judged under the American System of Judging unless another system is specifically indicated.
18. A judge shall disqualify or transfer to the correct class any exhibit or animal which is not a true representative of the class in which it is entered.
19. A judge may disqualify any exhibit not of show quality.
20. No person shall be allowed to interfere with judges during the judging or with OSFEC staff, or to offer any criticism of exhibits. Violators of this rule shall be excluded immediately from the judging area and from competition, and be subject to such additional penalties, including cancellation of awards, as OSFEC may consider proper.
21. It is understood that the act of entering an exhibit or contest at the Oregon State Fair is asking OSFEC to secure a qualified judge to place a judgment on the exhibit or performance. It is therefore courteous to gracefully accept the decision of the judge, realizing that it may be in conflict with an exhibitor's personal standards. Every reasonable effort will be made to secure highly qualified and conscientious judges.
22. Protests may be filed by exhibitors in writing to the Oregon State Fair Manager within 24 hours of the judging. Protests must be accompanied by a \$50 deposit, a sum which may be forfeited if the protest is not sustained. Protests shall be adjudicated by OSFEC.
23. Only the judges' results will be used as evidence for payment of premiums. Ribbons and tags will not be accepted.
24. Premium checks may be withheld from exhibitors who have any debt with OSFEC.
25. Premium checks will be mailed to the address shown on exhibitor's entry form after the close of the Fair.
26. Errors in premium payouts not reported to OSFEC **by December 31** of current year will stand as paid.

**Premiums and other payments totaling \$600 and over are considered taxable income. Exhibitors awarded \$600 or more for premiums will be required to complete and submit a W9 form to the Oregon State Fair before receiving awarded amount.**

## DEPARTMENT RULES

1. Rules, definitions and judging procedures as prescribed in the latest editions of Official Show Rules and the Breed Standard shall apply to the Oregon State Fair.
2. A judge may disqualify or excuse an animal from competition if it appears to be fatigued or out of condition, but the bird or animal shall be counted as an entry.
3. Open to all classes of Standard-Bred chickens, guinea, ducks, geese, pigeons, rabbits, cavies and turkeys. All birds must be identified by numbered leg bands conforming to their entry registration on arrival at the show. Rabbits and cavies must bear permanent ear markings in their left ear. Entries not having permanent ear markings or leg bands attached upon arrival at show will be not be accepted. (Please call or email Department Superintendent if you need leg bands.)
4. See specific divisions and Calendar of Events for entry due dates. Space may be limited, so entries will be accepted in the order received.
5. All entries must be clean and in good condition upon arrival at Oregon State Fair. OSFEC reserves the right to refuse entries.
6. Entry fees must be paid during online entry registration. Entry fee includes coop, feed, water and care during show. Animals will be fed and watered by Department staff.
7. Division and class numbers must be designated during entry registration. Wrong numbers may cause entry to be disqualified. Use separate entry for each bird or animal entered. Also, indicate bearded, non-bearded, RC or SC if it applies to your bird.
8. **Limit of entries and awards:** Due to space limitations, it may be necessary to limit the number of entries an Exhibitor may make in a class. Refer to each class for limitations. All Exhibitors are allowed no more than five (5) identical entries in a lot. Ribbons and premiums will be awarded in the order of judge's placing.
9. OSFEC will not be responsible for errors during entry registration by exhibitors regarding class, breed, variety, age or sex.
10. **Substitutions:** Substitutions may be made only in the same breed, sex, age and color of the original entry, provided notice is given on or before entry day.
11. Junior Exhibitors must specify during entry registration that they are junior in order to qualify for junior awards. Junior Exhibitors must be 18 years of age or younger. Specify age during entry registration.
12. A "trio" shall consist of an adult male and two adult females or a young male and two young females of the same variety of breed.
13. A display shall consist of a cock, hen, cockerel, pullet and a trio (young or old) for a total of seven (7) birds.
14. All boxes and carrying cases must be removed from the Small Animal area during show. No boxes or carrying cases are allowed in the building prior to check out time.
15. OSFEC reserves the right to coop an owner's female birds double, in small varieties, if necessary.
16. OSFEC reserves the right to substitute judges as necessary.
17. All entries are open to all states.

- b. No animals will be marked or sold prior to judging. They may be marked after champions are chosen.
- c. Animals must be entered for competition. Space does not permit animals "for sale only." Any animals that are **disqualified** will **not** be sold at the Oregon State Fair. **Exhibitor will be required to pay the Oregon State Fair a fee of \$1.00 per animal sold.**

- g. **All sales are CASH only.**

21. EMPLOYEES ENTERING AND EXHIBITING SMALL ANIMALS:

**OSFEC is committed to hiring staff who are experts in their specific field of interest. Usually, these experts are seasoned exhibitors as well. We want their high-quality animals shown at the Oregon State Fair for Fairgoers to see an excellent representation of these animals. Not allowing employees to show would exclude high quality animals from exhibition.**

- a. The Department Coordinator, Assistant Department Coordinators and employees can exhibit animals.
- b. Employees will not clerk in classes in which they have animals entered.
- c. Cage and/or coop identification tags will be identified with Exhibitor numbers. An Exhibitor's List will be made available to all Exhibitors upon request.
- d. Only judges who have national recognition and practice honest judging will be hired.

## GENERAL HEALTH REQUIREMENTS

1. ALL SMALL ANIMALS are subject to inspection by the Official Veterinarian in attendance upon admission to the Oregon State Fairgrounds. No animal shall be admitted or allowed to remain on the grounds that shows evidence of any infectious or contagious disease, or any unsightly condition.
2. No Exhibitor shall be allowed to administer medication to another Exhibitor's entry. If you feel an entry needs medication, please contact the Department Superintendent.
3. All fowl must be dusted for lice before entry into showroom. Untreated animals found to have lice will be disqualified and/or requested to be removed from the premises.

### OREGON BIRDS

All poultry, including exhibition birds, exotic birds and game birds (excluding waterfowl, pigeons and doves) going to public exhibition shall originate from a Pullorum Typhoid registered free flock or have had a negative Pullorum Typhoid test within ninety (90) days prior to the public exhibition.

If the birds have not been tested within ninety (90) days, the owner must notify Oregon State Fair officials who will arrange for testing at the Oregon State Fair after judging.

### OUT-OF-STATE ORIGIN

All poultry must be in good health and parasite free and will be inspected before cooping-in. If they are from an NPIP Certified flock, please provide the owner's NPIP documentation with entry. If they are not from an NPIP Certified flock, they will automatically be tested for Pullorum while at the Oregon State Fair. To prevent this, they may obtain an entry permit from the State Veterinarian's Office, Department of Agriculture, Salem, Oregon 97310, phone 503-986-4680, or be accompanied by a Certificate of Veterinary Inspection issued by and accredited veterinarian in the state of Origin. (Birds from NPIP Registered flocks may enter with USDA Form VS-9-3.)
