This is a Battle Between Breeds

To be held Thursday evening after the Draft Horse class.

Each class to consist of teams of 4-6 exhibitors formed from like breeds (including Draft Horses). Team representing a breed shall be selected based upon date/time of commitment made to Show Manager (Ron Hood, rhood722@gmail.com, (831) 524-5248 – voice/text. Class to be limited to no more than 2 teams from each breed, and no more than one team from an associated trainer. Teams do not have to participate in both classes.

Class #333 to be a combination of Riding and Halter, at the direction of the Judge.

All horses shall enter the arena on the rail as teams. Horses will be asked to walk/trot (or favorite gait). Following the riding judging of each team, one horse – best representing their breed – shall be selected to be the Halter representative of that team. If the chosen horse has been just ridden then grooms will be allowed to enter and then 5 minutes will be allowed to strip and prepare the horse for halter judging. Each team will only have one Halter horse representing their team and can be different than one that has just been ridden.

During the halter judging, the team will be given the opportunity to work with the announcer to promote their team and breed.

Judging will be 50% riding, 30% halter, 20% team appearance / coordination / crowd support.

Class #334 and #334.1 to be a combination of Barrel Racing and Pole Bending. Draft Horses and Drum Horses to compete in class 334. Light horses to compete in class 334.1. Timed classes.

Awards:
- Individual Team Ribbons for 2nd through 6th place
- 1st place team to be awarded ribbons for all participants
- 1st place team to be awarded add-back prize money in the amount equal to $10 per exhibitor.
- 2nd place team to be awarded add-back prize money in the amount equal to $3 per exhibitor.
- 3rd place team to be awarded add-back prize money in the amount equal to $2 per exhibitor.

For example – if there are 5 teams of 5 exhibitors (25 total) – then the 1st place team will be awarded $250 ($10 x 25) to be split among their team members. 2nd place team will be awarded $75. 3rd place team will be awarded $50

Enter class number (#332, #334 or #334.1) on entry form associated with breed of participating exhibitor.

Each team is encouraged to provide the announcer with information on the breed and biographical information on the team to make it educational for the Fair audience.

PROTECT THE FUTURE OF LIVESTOCK AT THE OREGON STATE FAIR!

Livestock exhibitors and their livestock are very important to us. However, livestock can be a source of contamination, including pathogens and zoonotic animal diseases. Our goal at the Oregon State Fair is to create and maintain an environment where livestock, exhibitors and visitors to the fair can co-exist in a safe and pleasurable place.

The Oregon State Fair has recently placed a strong emphasis on Bio-Security against animal diseases like H3N2v (Swine) Influenza as well as Pathogen Control for harmful bacteria like Salmonella and E. coli.

**Pathogen Control:** We have recently completed a comprehensive assessment of our entire site. As a result, we have reconfigured the location of our signage and hand washing stations as well as improved our sanitation and record keeping activities in order to keep our barns as clean and sanitary as possible.

**Bio-Security:** We have recently implemented a comprehensive bio-security protocol to minimize the risk of disease transmission from animals to humans, as well as between animals. This bio-security protocol includes veterinarian inspections prior to entry, and/or throughout the fair, as well as disinfection of all pens/stalls during changeover between each group of animals.

But we need your help!

As an exhibitor we need you to be ROLE MODELS to visitors and others at the fair. This includes your ongoing efforts to manage animal waste, properly store waste management equipment (shovels, pitchforks, and wheelbarrows) away from visitors, and avoid drinking and eating in the barns. Additionally, we need you to notify us if you see any signs of illness in animals around you, and if any of your animals are showing signs of illness prior to fair, to leave them home.

By doing YOUR part to reduce the likelihood of contamination from pathogenic bacteria and/or the transmission of zoonotic diseases at the fair we can continue to host animal events like the Oregon State Fair long in to the future.

Thank you,
