- 2. All entries must have been prepared by the exhibitor since the previous year's Oregon State Fair. Any item previously entered in the Oregon State Fair will be disqualified. Commercially produced entries not allowed.
- 3. Each exhibitor is limited to **one** entry per Class. Juniors may enter up to two entries in each class in Division 325. The same product may not be shared for entry by more than one individual. Violators will be disqualified. **All exhibitors are limited to a maximum of 10 entries.**
- 4. All entries must be processed according to the most current canning methods based on guidelines and processing times established by the USDA, OSU Extension Service, other University's Extension service, or 2022 Ball Blue Book. The USDA information is available online at nchfp.uga.edu/publications/publications\_usda.html. The OSU Extension Service can be found at <a href="https://extension.oregonstate.edu/food/preservation">https://extension.oregonstate.edu/food/preservation</a> Entries will be disqualified if recipes used are not from one of the safe method sources listed.

If, however, other visible characteristics eliminate the product from consideration of award the judge is <u>not obligated</u> to open jar for further evaluation. Judges also reserve the right to exercise personal discretion when deciding to or not to open and/or taste any entry. Entries that are improperly sealed, unsealed or previously open will be disqualified. See Entry Criteria, below.
- 8. Alcohol cannot be used as an ingredient in Junior entries.
- 9. The "Other (specify)" Class is to be used only when an item does not fit the description of any other class in the division. For online entry, use the "Description" text box where "specify" is indicated for an entry.
- 10. Entries may not be removed from the Fairgrounds until the scheduled pick-up date(s). Those items not picked up will become the property of the Oregon State Fair. No entries will be returned by mail.

### JUDGING SYSTEM

Each exhibit is judged not only on its own merit, but in comparison to other exhibits in that class. One Blue  $(1^{st})$ , one Red $(2^{nd})$  and one White  $(3^{rd})$  ribbon will be awarded in each class except in the case of a true tie.

Once ribbons in each class are awarded, Best of Division will be chosen. A point system is used to help judges in selecting winners, but is not the sole factor in awarding of ribbons and placements. Entries are judged in a closed judging session. Exhibitors will receive score cards with judges' comments after the close of the Fair. Judges Decisions are final.
